

We have setup a Community Rewards with King Soopers that will allow the Grizzly Football Club to receive a donation every time you scan your King Soopers card when you make a purchase at King Soopers! There is no cost to you for the program. King Soopers donates a portion of your total purchase. This also works for all Kroger family of stores so your friends and relatives can register their cards to support the Grizzlies as well! All Kroger family of stores have similar web sites so the instructions should work at any of them.

1. To enroll go to <https://www.kingsoopers.com/>. If you have already created an account with your King Soopers card you may sign in, if you have a card but haven't created an account, or if you don't have a King Soopers card in the upper right corner of the site hover you mouse over "Sign in" and a drop down will appear allowing you to "Sign in" or "Create an account".

2. If you already have an account skip to step 3. If you don't have an account linked to your existing card and/or need a King Soopers card, please continue below.

- If you have never enrolled in Community Rewards, you should see the following screen. If you have enrolled and are currently supporting an organization, you have the option to select “Change Organization”.

In the search box for “Find an Organization” either type “Grizzly Football Club” or our number, “ED645”, as shown below.

The screenshot shows the 'Community Rewards' interface. At the top, it says 'Community Rewards' and 'Earn money for your community organization when you use your loyalty card'. Below this is a 'Donation Summary' section with a star icon and the text 'Status: never enrolled'. A blue button below says 'Earn money for your school or community organization when you use your SooperCard.' Below the summary is a 'Find an Organization' section with a search box labeled 'Search by Organization name or number' and a dropdown menu labeled 'Filter by type of Organization:' with 'All' selected. Two examples of search results are shown side-by-side. The left example shows the search box containing 'Grizzly Football Club' and the search results box containing the organization name 'Grizzly Football Club', the address '4964 W 6th St Rd, Greeley, CO 80634', and an 'Enroll' button. The right example shows the search box containing 'ed645' and the search results box containing the same organization name and address, with an 'Enroll' button. Red arrows point to the search boxes and the 'Enroll' buttons in both examples.
