

**NORTHRIDGE HIGH SCHOOL  
GRIZZLY FOOTBALL BOOSTER CLUB  
PARTNERSHIP OPPORTUNITIES**

Greetings,

As we embark upon our 2024 Grizzly Football season, I wanted to take a moment to thank all the people who make our team successful and who have supported our student-athletes, our great coaching staff and our Football Booster Club here at Northridge High School. Student-athletes, parents, coaches, and administration all contribute to the success of our team, and for that, I'm truly grateful and inspired. I'm beginning my 6th season with the Grizzlies and our program has come a long way. I am really proud of the culture we've created and look forward to another great season!

Our student-athletes, parents, and coaches have embraced the "trust the process" motto and built the Northridge Football program to be the best in the City of Greeley. A couple of key foundational elements of our program are trust and commitment. Our student-athletes live these values and have shown their trust in the coaching staff and their commitment to the program by putting in the work in the offseason. Our goal as coaches is not to just build great football players, but to develop teenage boys into young men that are honest, dependable, have integrity, and have a strong work ethic. Our student-athletes are committed to building something great, not just for the current team, but for future teams as well.

I can't thank you all enough for allowing my staff and me to be coaches and mentors to a great group of young men.

I hope everyone enjoys the 2024 season and cheers on the Grizzlies! Win or lose, I can promise you our boys will play with passion, intensity, and integrity. Thank you again for your support, Go Grizz!

Respectfully,

Coach Hayden
